Technical drawing of a roof truss cross-section. The drawing shows a 10-inch wide section of the truss. The top chord is labeled 3x. The vertical members are labeled 4x. The bottom chord is labeled 3x. The drawing includes a 10" dimension line at the top. The truss is shown in a cross-section view, with the roof structure on the left and the supporting structure on the right.

This architectural drawing depicts a building facade with a central focus on a large window. The window is filled with diagonal hatching lines. To the left of the window, there are several rectangular elements, including a small square with internal divisions. To the right, there is a long, thin horizontal element with internal divisions. The entire drawing is composed of thin black lines on a white background, with a central hatched area.
